ABOUT US

WHY WE EXIST

We exist to offer design advice and empower brands to express themselves confidently with marketing additives that compel attention and live in the moment. We are intelligent, entrepreneurial brand storytellers and magazine designers with a judge-free team of experts.

ABOUT US

The Yellow Cover is a magazine company for entrepreneurs. Our pages are designed to bring attention to brands in communities and digital internationally.

In The Yellow Cover, our entrepreneurs get the whole page, not one, and in some cases, more.Your story matters, and our visionaries are here to tell your side.

EXPERTISE & FUTURE

The Yellow Cover Magazine Inc™ has an expert team comprising managing partners, mid-market sales experts, interior designers, style editors, and creative writers.

Think YC—23. is a 2023 vision for the future of The Yellow Cover Magazine Inc™ that uses images partnered with statement poetry to advertise incredible moments, people, brand communication, and the latest announcements.

Do you have a project or story to discuss? Contact Our design team Today designteam@theyellowcover.com.
