We are excited to announce our inaugural audience-participated storytelling event as part of our new "World of Live Storytelling."

Join The Yellow Cover Magazine Publication in partnership with Crate & Barrel Avalon for the warmest event of the year in an exclusive behind-the-scenes look at the making of our Holiday Issue, "Gospel Flowers Chapter 2 (Live)." Starring Yael Hilton and co-starring Larae.

This delightful Christmas Day wedding-planning story blends joyful inspiration with comfy charm! Picture beautiful attire, enchanting music, and biophilic floral arrangements that celebrate life and nature, reminiscent of Grandma's house.

We are thrilled to welcome as our event commentators: Chelsea and Jarad Wright, the dynamic married duo from Modus AV in Chamblee, GA! Their insights into the magazine and oratorial expertise are sure to elevate our experience. Get ready for some engaging chemistry!

The story will reveal inviting breakfast and coffee locations where the bride-to-be, groom, and their wedding party meet to lay out the plan for a beautifully organized Christmas wedding celebration, and it will also highlight a wide range of wedding party planners.

In addition to the items on their Crate & Barrel wedding gift registry.

Indulge in complimentary breakfast food, coffee, delightful afternoon chocolate desserts, refreshing and creative berry fruit mocktails, and an exciting array of amazing giveaways!

"Save the date: November 30, from 11 am until 3 pm, and don't miss it!"

Crate & Barrel, in partnership with The Yellow Cover Magazine, invites you to support Feeding America. Your contribution can help bring joy to a child this Christmas—just \$1 provides 10 meals to those in need. Every donation makes a difference, and together we can create a meaningful impact.
